ANSWER

**MINISTER OF STATE IN THE MINISTRY OF INFORMATION & BROADCASTING
[COL RAJYAVARDHAN RATHORE (Retd.)]**

(a) : Electronic Media Monitoring Centre (EMMC) has been set up by the Government as a state-of-the-art facility with a view to monitor the content telecast on Private satellite television channels with reference to violation of Programme and Advertising Codes. EMMC is not meant to receive complaints and therefore has not received any complaint on content in the said period.

(b) to (e) : EMMC employees are required to monitor permitted Private Satellite TV channels downlinked in India to check any violations of Programme and Advertisement Codes prescribed in the Cable Television Network (Regulation) Act, 1995 and the rules framed thereunder. While no formal training is imparted to these employees, the contents of the Programme & Advertising Codes are brought to the notice of every employee engaged in EMMC before they commence their job.
